"Colour: Golden-honey yellow. Bouquet: Elegant notes of flowers, hazelnut and mature fruits, like bananas and peaches. This dry and fragrant wine offers flavors of hazelnut, lychee, banana, peach and tangerine. Enjoy LiCoste as an aperitif, with light pasta and fish dishes or even at the end of your meal with the cheese course."

\*Winemaker's notes

"Arguably the best Pecorino I have tasted. Aromas of passion fruit, peach, guava and melon. The palate offers fresh, ripe tropical fruits alongside a mineral band which makes the palate scream for another sip. A must try!"

—Steve Pollack, wine buyer for the Chairman's Selection  ${\rm I\! B}$  program
