"Wine features bright, crisp, fruit character and easy structure that makes it immediately drinkable. It also has aromas of stone fruits, baked pear, and hints of baking spices. Great oak integration with good weight mid-palate. Nice finish."

*Winemaker's notes

"Aromas of baked apple, melon, pineapple and pear. The palate is filled with tropical fruits and well-integrated oaky, vanilla notes. Finishes fresh, with balanced acidity."

—Steve Pollack, wine buyer for the Chairman's Selection® program
