"Color: Light and fresh. Nose: Expressive of fresh summer fruits (apricot, peach) with exotic mango notes. It then opens up to flavors of citrus fruit and white flowers (acacia, hawthorn). Finish: A fresh lively attack on notes of white flowers. This wine is very harmonious, revealing good balance with roundness, and flavor that persists on the palate."

*Winemaker's notes

"This wine offers abundant green fruits with a stony mineral mouthfeel followed by palate-cleansing acidity. Fresh and clean!"

"Great white wines balance an exciting tension between refreshing crispness and a rich, silkiness on the palate, as our Oakville Fumé Blanc does with its zesty orange rind-lemon curd flavors, and an incredibly smooth mouthfeel. The wonderful concentration and depth of flavors linger in a luxuriously long finish."

*Winemaker's notes

"Although the vines used for this wine are not that old, the heritage of the variety has propelled the wine to prominence as a delicious, medium bodied wine that is an excellent pairing for spicy foods and barbecue. The spicy, red fruit is encapsulated in a body of depth and texture that is balanced, yet ageable. Pair this Zinfandel with baby-back ribs, spicy Szechuan Chicken and aged Jack cheese. It will age well for 5-7 years and become more complex."

*Winemaker's notes

"A sleek, elegant styled Zinfandel showing pretty aromas and flavors of black raspberry. Cherry pie crust and sweet vanilla, all wrapped around a silky rich but balanced mouthfeel. Excellent!"

"Toasted oak, roasted coffee bean, dill and espresso aromas lead the nose on this Tuscan red. On the palate, notes of exotic spice accent the core of dried black cherry alongside drying but fleeting tannins. It lacks fruit richness and is shy on freshness so drink sooner rather than later."

"Impressive for its purity and elegance, our 2006 Trailside Vineyard Cabernet conveys the beauty of its Napa heritage from the first sip. This wine is rich, yet restrained. It is evolving nicely with splendid varietal aromas that originate from a core of lush, dark fruit. Ripe cherry flavors and an undertone of spice are wonderfully integrated with fine-grained tannins, building to a lovely finish of great length. This Cabernet is a pleasure to drink today, and it has the overall balance to promise graceful aging for years to come."
